        Jackson Ward Conference Room
        901 Turpin Street
For Information: (804) 828-8947

Episode 1: “The Difference Between Us”

Everyone can tell a Norwegian form a Nubian, so why doesn’t it make sense to sort people into biological races? Examine the contemporary science-including genetics- that challenges our assumptions about human groups.

The three-part series is an eye-opening tale of how what we assume to be normal, commonsense, even scientific, is actually shaped by our history, social institutions, and cultural beliefs.
